

Fortune Teller Template

6a

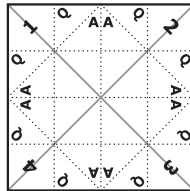

Cut out the square below to make a Fortune Teller.

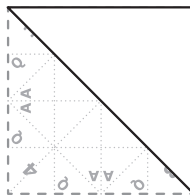

Making a Fortune Teller

Follow the steps below to make a fortune teller.

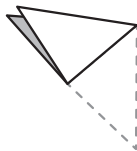

Step 1: Start by photocopying **Reproducible 6a** and cutting out the square.

Step 2: Fold the square in half diagonally to make a triangle.

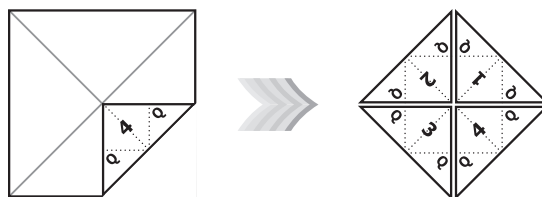

Step 3: Fold the resulting triangle in half vertically to make a smaller triangle.

Step 4: Open the paper to the original square, then flip it over so the back is facing up.

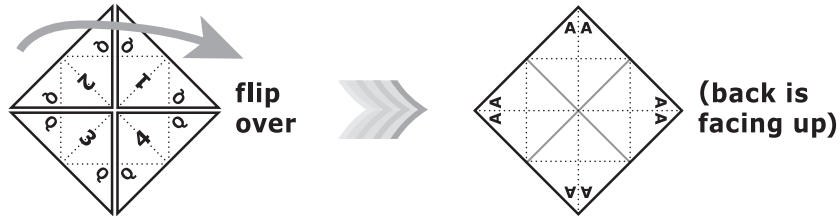

Step 5: Take each corner and fold it in to meet the center of the square.

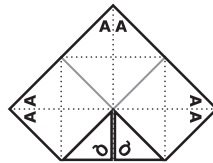

Reproducible 6b: Making a Fortune Teller, continued

Step 6: Flip the square over so that the back is facing up.

Step 7: Again, take each corner and fold it in to meet the center of the square.

Step 8: Fold the top half of the square down to make a rectangle.

Step 9: Take the folded rectangle and flip it to the right so the fold is on the bottom.

Step 10: Put thumbs and forefingers under each flap and move fingers together toward the middle.
